## RECRUITING???!!!

A never-ending process that sometimes produces results. How would you like a fully-staffed office while substantially reducing your recruiting efforts? How would you like to make a profit from recruiting?

### EARN PROFITS WHILE RECRUITING

Available for your office is the DVD series of the  
**MASSACHUSETTS REAL ESTATE PRE-LICENSING COURSE**  
for Salespersons' and Brokers' Licenses and  
**THE REAL ESTATE CONTINUING EDUCATION COURSES**  
for the Licensed agents in your area.

All that is needed is a television and a DVD player and enough space for 5-10 students. The DVD's do the rest! Each DVD session is four hours long with a break in-between to give you a chance to get to know your potential associates. One of the benefits of the Pre-Licensing Course is that you get to train your associates from the beginning. **No bad habits!** The benefit of the Continuing Education Courses is that you get to meet the seasoned pro's. **All your recruiting needs will be satisfied and we split the tuitions.**
